ACADEMIC PARTNERSHIP PROPOSAL

"Add credibility to your programmes by achieving official Business School recognition."

1. INTRODUCTION

EDUVISA Graduate School of Management (hereafter referred to as **EDUVISA**) offers community organisations, private and ACE schools, corporate businesses, local radio stations, Internet Cafes, and government institutions the opportunity to incorporate accredited diploma and degree qualifications into their empowerment and training programmes by registering as an accredited **EDUVISA Accredited Student Centre/Campus** (hereafter referred to as an **ASC**) or alternatively as an **Accredited Leadership Centre** (hereafter referred to as an **ALC**). Academic support, tutoring services and assessment are provided by EDUVISA via our Internet-based **Online Learner Management System** (OLMS) with little or no input required by the ALC/LDC except that of marketing via the official Referral Affiliate System. Our academic programmes can be implemented in any region or country where managerial training at an undergraduate or postgraduate level based on the UK-Ofqual Accreditation Framework and BAC accredited university (UK-Government Regulated) is desired.

This is the ideal opportunity to extend your service/product offering, create an additional income stream or incorporate the element of accreditation into your training programme. Become an EDUVISA certified training centre/campus today and start making a difference in your country, community or place of employment while expanding your own business offering.

2. CAMPUS NETWORK EXPANSION

The vision of EDUVISA is to make affordable and accessible university-level undergraduate, graduate, and post-graduate qualifications available that meet the benchmark accreditation requirements associated with the UK-Ofqual (RQF/NQF) Qualification Framework and equip our students to excel in the global economy of tomorrow.

EDUVISA is consequently fully committed to a long-term collaborative relationship based on an academic and business model that provides for the establishment of sustainable training and campus facilities (public domain and/or in-house). An academic partnership is not a short-term endeavour as it entails the delivery of life-changing training and academic services to students over several years. Registration as an **EDUVISA Accredited Student Centre/Campus (ASC)** or **Accredited Leadership Centre (ADC)** also entails registration with the relevant regulatory and accreditation authorities at government level and must be listed on the EDUVISA website as such.

The new applicant will be expected to attend an online Video Conference (Zoom, Telegram, WhatsApp etc) for profiling and marketing assistance purposes.

3. ACADEMIC PARTNERSHIP OPTIONS

The EDUVISA Academic Partnership Programme provides the following three academic collaboration options:

3.1 INDEPENDENT REFERRAL AFFILIATE (IRA)

ORIENTATION (IRA)

EDUVISA offers a **Referral Affiliate Programme** to help **students** fund their education and **individuals** to exploit a new source of income. By referring others to register to EDUVISA, you can benefit from our referral commission system which will enable you to fund your diploma/degree or even launch your own Student Centre. Referral marketing is user-driven and reaches and influences consumers worldwide during every phase of the product/service journey. This means that the client (in this case you as a student or individual) can utilise the academic service (studying towards a diploma or degree) while benefitting financially from sharing the experience with others.

PERSONAL INCOME (IRA)

If you are a student or individual looking for an option to earn an extra income or to pay for your studies or even just to make more money the **EDUVISA Independent Referral Affiliate (IRA)** opportunity is your answer to an affordable and risk-free income solution! Now you can generate an alternative income and even start your own business working from home without the limitations of a 9-5 workday, having to obey an alarm clock or commuting to and from work. As a student, you can now complete your studies free from the burden of a study loan while creating an income that may continue to grow even after your studies have been completed.

ONLINE BUSINESS WHILE YOU STUDY (IRA)

Starting a new business or creating an alternative income could be a challenging prospect compounded by the need to risk your capital, the challenges of staff, long hours, and competition. Joining the EDUVISA Referral Affiliate network team is your answer!

- It offers you the benefits of starting and running your **own business** without risking your capital or burdening yourself with the challenges associated with starting a traditional business.
- It is tailor-made for the new IT-driven era where the Referral Affiliate (you) will engage consumers (potential students, friends, and family) through a variety of distribution models including websites, social media, search engines, email, mobile apps, offline marketing and more.
- The EDUVISA Referral Team will provide you with the necessary Referral Links, Banners and Templates for use in the Internet realm.
- You get to experience the benefits of working for yourself, an unlimited income and an educational product required by millions at a level of unmatched affordability and an automated system that only requires you to tell others about the EDUVISA Referral Affiliate opportunity and EDUVISA Graduate Degree Programmes. And it does not matter where you may find yourself in the world!

REFERRAL COMMISSION (IRA)

COMMISSION GENERATING PROGRAMMES	PERCENTAGE
All (IQF) Articulated Programmes	5%

The use of the Referral Link is also recommended in the case of a business or organisation that desires a third-stream income without activating a campus or training centre or becoming involved in day-to-day academic activities. Referral Affiliates are required to activate a **PayPal Account** that will be required for commission payment purposes.

HOW TO REGISTER AS A REFERRAL AFFILIATE (IRA)

Simply register as an EDUVISA Affiliate by activating an EDUVISA User Account and registering online as a referral affiliate by paying the **Affiliate Registration Fee of £50[±] (GBP)** via any of the **EDUVISA secure Payment Gateways and Bank Accounts**. As soon as your application has been received and the Affiliate Registration Fee has been confirmed by the financial institution you will be activated as an EDUVISA Referral Affiliate. You will be allocated a unique Affiliate Code and Affiliate URL Link which you may use in emails, websites, and other Internet platforms to refer new students to EDUVISA. You will also be provided with advertising banners which you may utilise for Internet and social marketing purposes. The EDUVISA Referral Affiliate System will generate affiliate commission as soon as registration and payment of the students recruited or referred by you, have been confirmed. Affiliate commission is paid out monthly within 30 – 6 days of being generated. The opportunity to start generating an income has never been more accessible, affordable, and as effortless as the EDUVISA Referral Affiliate opportunity.
